## SUMMARY

I am Sahil Kumar, motivated and passionate Python developer with a strong interest in software development and problem-solving. Recently completed 12th standard and seeking an opportunity to gain practical experience, improve technical skills, and contribute to real-world projects.

## PROJECTS

### 1.GUI ERP System

Built a basic ERP system with a graphical user interface using Tkinter. Managed employee data and inventory, integrated SQLite database, and included login authentication.

### 2.Coding & Decoding Program

Created a logic-based tool to encode and decode secret messages, applying string manipulation techniques.

### 3.Staff Management System

Developed a desktop application to manage staff records with features like add, update, and delete using Python and SQLite.

## EXPERIENCE

### DATA ENTRY OPERATOR : ORAGE TEACHNOLOGIES

Gained basic experience in office tools and digital organization.

Entered and managed data accurately using software tools and also improved typing speed and attention to details while handling data.

## EDUCATION

GBSSS DHARAMPURA	SENIOR SECONDARY	(CBSE)	(2024-2025)
GBSSS NANGLI SAKRAWATI	SECONDARY	(CBSE)	(2022-2023)

## TECHNICAL SKILLS

<b>Python</b>	I have hands-on experience in Python for programming and logic building.
<b>NumPy</b>	For numerical operations and arrays.
<b>Pandas</b>	For data manipulation, analysis, and handling tabular data.
<b>Matplotlib</b>	For creating graphs and charts.
<b>Tkinter</b>	Python's built-in library for creating desktop GUI applications.
<b>SQL</b>	To manage and query structured data in databases
<b>MySQL</b>	Popular relational database system used to store and manage application data.

## CERTIFICATES

### TECHNICAL TRAINING : DATA SCIENCE AND AI

- MMIIT Training Centre Dwarka Mor New Delhi

### FREEDOM EMPLOYABILITY ACADEMY (FEA) TRAINING

- Completed training from FEA, focused on spoken English, communication skills, confidence building, and personality development.
